Amendment to Annex 4, 6.1 Bylaws: Annual provision

The annual provision will be discarded. The capital contribution according to § 4 EEIG-contract in connection with E-Mail-resolution 2010-01¹ will build up a sufficient financial buffer.

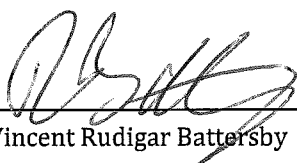

Amendment to Annex 4, 6.2 Bylaws: Entry fee

The entry fee is calculated according to historical costs already paid for by the 6 founding members, and will be shared equally between regular and new members. The entry fee will be re-calculated each quarter. Refund will be granted per quarter.

Amendment to Annex 4, 6.3 Bylaws: Cost allocation

The exact costs that occur will be calculated and invoiced each quarter. Quarterly reporting will include a data balance sheet that gives an economic overview on all study-data and a financial assessment that gives an overview on total costs.

Hannover, 22nd June 2010:

Dr. Vincent Rudigar Battersby

¹ According to E-Mail resolution 2010-01 the capital contribution is reduced from EUR 80,000 to EUR 40,000 per member (§ 4 (1) EEIG-contract)
