SIEF – Sodium thiosulfate

- **Lead Registrant:** Chemiewerk Bad Köstritz GmbH
- **SIEF Facilitator:** SDIOC on behalf of the Lead Registrant.
- Pre-registrants can participate in the SIEF at different activity levels: very active, involved, passive, and dormant.
- The SDIOC prepared the registration dossier, i.e. the IUCLID file, in cooperation with the SIEF. The Lead Registrant submitted the REACH Registration Dossier in 2010. Co-registrants can refer to it when submitting their registration.

Registration and ongoing activities:

- **November 2010:**
 - Registration of the substance via REACH-IT.
- **Further, ongoing activities:**
 - regular dossier updates (based on newly available data)
 - handling of ECHA requests for additional data (if any)
- **Be part of the project:**

The Secretariat of the SDIOC will work with **Active Members** within each SIEF. If you would like to become an **Active Member**, please [E-mail](mailto:SIEF@SDIOConsortium.com) the SIEF Facilitator (SIEF@SDIOConsortium.com).

Pre-registrants that have not yet participated in the **Sameness Survey** for sodium thiosulfate, can access the survey [here](#).
